The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: I ask the Congress to consider an amendment to the request for appropriations for fiscal year 1987 for the Judiciary and amended fiscal year 1987 appropriation language for the Department of Defense-Military. I am also requesting funds for the Department of Agriculture's Food Safety Inspection Service that were made available by the Continuing Resolution at the request of the President without further Congressional action.

The President

The White House

Sir:

I have the honor to submit for your consideration an amendment to the request for appropriations for fiscal year 1987 for the Judiciary reducing that request by $601,000 and a fiscal year 1987 appropriation language proposal for the Department of Defense-Military.

This proposal also includes a request for $5,735,000 for the Department of Agriculture's Food Safety Inspection Service. The fiscal year 1986 Continuing Resolution (Public Law 99-190) makes these funds available at the request of the President without further Congressional action.

I have carefully reviewed the proposals contained in this document and am satisfied that these requests are necessary at this time. I recommend, therefore, that these proposals be transmitted to the Congress.

Respectfully,

James C. Miller III
Director

This transmittal constitutes a request for $5,735,000 in fiscal year 1986 budget authority for the Food Safety and Inspection Service. Under the terms of the Continuing Resolution (Public Law 99-190), these funds become available for obligation upon receipt of a request by the President without further Congressional action. This proposal would increase fiscal year 1986 outlays by $5.7 million.

1987 Budget Appendix Page	Heading	1987 Request Pending	1987 Proposed Amendment	1987 Revised Request
I-G48	Military Construction, Army	$1,695,200,000	language	$1,695,200,000
	(In the appropriation language under the above heading insert the following immediately after "and the reasons therefore.":) In addition, for construction at Fort Drum, New York, there is appropriated in advance to be available for obligation in fiscal year 1988, $221,000,000, to remain available until September 30, 1992 and to be available for obligation in fiscal year 1989, $162,000,000, to remain available until September 30, 1993.			

This appropriation language was inadvertently omitted from the fiscal year 1987 Budget. This proposal would not affect outlays.
